The Magic Presence

Beloved Goddess of Liberty and Legions of Light!

I DEMAND YOUR LOVE NOW CLEAR OUR WAY!

(Alternate Line)

AND make the human cease!
And bring Complete Release!
And all God's Wealth now bring!
And all God's Praises sing!

And Victory hold Command!
For in God's Heart I stand!
And Freedom for us hold!
And keep full God-Control!

And all God's Wealth supply!
And raise us all on High!
And God's Great Plan fulfill!
And do through us God's Will!

And Miracles now come through!
And flood God's Protection too!
Now and for all time!
And make all things Divine!

And God's Protection hold!
By Cosmic God-Control!
By Music's Cosmic Power!
And heal all every hour!

Each instant of each day!
And evermore hold sway!
By my "I AM Presence' " Flame!
I demand this in God's Name!

BELOVED SANAT KUMARA'S DISCOURSE

Through Mr. G. W. Ballard

Washington, D. C. November 3, 1937

BELOVED STUDENTS of Washington and those visiting from elsewhere, tonight in bringing to you the Radiance from those Great Octaves of Light, and bringing to you that which I shall during the evening release into your feeling world to consume the conditions that have been binding you, will you be kind enough, even if you are here for the first time, to just be happy and quite free? Try not to have any special opinions, but just listen and allow Me, if you will, to project into your feeling world that which will bless you for Eternity.

Remember, I am the One who came from Venus to guard the humanity of Earth until it could guard itself. That point is arriving; and since this Work has come forth, I begin to see the close of My Activity on Earth. Many of your blessed humanity are being prepared to take My place; but I say to you, Beloved People of Earth, do not allow human opinions to say to you, "How could individuals come from Venus to assist the Earth?" Well the truth is, if They had not, humanity would have destroyed themselves long ago. That is the Truth of Life!

Now then, knowing the requirements and having seen civilization after civilization come and go—after having reached a magnificent state, crumble again and disappear—you in the outer world only touched the fragment of any civilization. You do not touch the height of it unless you are able to contact clearly and accurately the etheric record, which shows the record of all that has been on Earth. It is very clear and definite, but few outside of the Ascended Masters can contact or utilize it. Therefore the Ascended Master is the only Example to mankind of the Perfection which They teach.

Beloved Saint Germain, in having brought forth to you

this Magnificent Work—Freedom if you care to apply It, has rendered a Service to the Earth unparalleled at any time. Therefore, as you see, and as I ask you to watch the expansion of this Light—oh, not because of the Messengers, not because of Saint Germain, but because It *is* the Light of your Life that will find Its own Action, and do not forget it! That Light is asserting Itself upon the Earth, and every human being will find that Life that beats your Heart—that Light within them asserting Itself and impelling you forward, whether the human wants it or not. And that is what I want to say to you tonight: that no longer has the human Free Will or power to tarry around here, century after century, any longer.

The Great Cosmic Light has said, "Come now unto Me," and that Free Will of mankind which throughout the centuries has allowed them to "dilly dally" along and use their "own sweet time" (if you will excuse Me using your expressions) to, when they got good and ready, come along—but today that Light says: "No more of that! The opportunity of century after century is at your door. You may have It, you may utilize It if you will, but It will not apply Itself."

I say to you, as the Messengers have always said: No one can prove this Law wrong, and everyone can prove It right who wants to. A magnificent thing! And a few infantile minds who have criticized the Books or the Messengers had better correct it, because they are going to have to soon meet it—every one. Oh, not because of the Messengers, but because of the Law of Life which is their Life, which will face them with everything they have sent out, and do not forget that.

Dear People, Blessed Ones of Earth, the time has arrived when mankind will be compelled to face every discordant thing that they have ever sent out. If they will not turn to the Light, call the "Presence" into action, and use the Violet Consuming Flame to dissolve and consume that before it arrives, then they must look upon it. The culmination of humanity's pilgrimage

© 1986 Saint Germain Press, Inc.

upon Earth is at hand, and no longer is mankind being given lifetime after lifetime in which to correct these things.

For the first time in four hundred thousand years this exact presentation is being given. Remember, Beloved Jesus, the most Wonderful Example of mankind—the Law at that time of Life did not permit Him to give the Explanation which Saint Germain has given. He knew It! He applied It and left the Example for mankind—the most Magnificent Thing, the Living, Blazing Etheric Record of the Ascension, which every one of mankind must one day reach.

Why, My Dear People, the Ascension is as practical as anything in your outer world today. It is just the Law of your own Life acting. Jesus knew It! All Ascended Ones know It; and there are thousands and thousands of Ascended Beings besides Jesus. The Beloved Lady Master Nada, having made Her Ascension twenty-seven hundred years ago, has assisted many civilizations to their height. Because mankind have not been aware of these things is no reason why individuals or mankind should doubt it.

If you do not put your attention upon a thing, how can you know anything about it? Show Me anyone that can know anything about anything without putting their attention upon it. It is not possible. Therefore, if you want Perfection, if you want Freedom, you must put your attention where It is; and the only place in the Universe where Freedom is, is your own "God Presence" above you, which is your Life. Therefore, if you understand that and give humble obedience to the Life which demands harmony in your feelings to release that Power, and not requalify It with imperfection, then mankind will have that Freedom quickly. But you cannot have It as long as you continue to requalify this energy which flows forth out into your world, which is the Power of the "Presence"—the only place Life can come from.

You, because of your Free Will, have constantly been qualifying that Perfect Energy as It comes forth with the quality in

 © 1986 Saint Germain Press, Inc.

your feeling. If it is discord, then you fill your world with discord. If it is fear, it is filled with fear, and everybody feels it and nobody wants you around. If it is anger, then everybody you touch gets angry. See your responsibility? You think when you get violently angry, "Oh, I should worry about anybody else!" But remember, you are responsible for every person that picks that up, to use your parlance—that angry feeling from you.

That is why criticism, condemnation, and judgment of human character are so frightful in their activity. That is why everyone who does it will find themselves in absolute failure, because they are repelling every good thing in the Universe from them. That is why the Messengers have pled with the people all over America for the need of that; and yet they listen to the words and go out and get just as mad as ever—but not for long.

Dear Ones, when once you really come to try to apply this Law, then assistance you do not dream of will come to you. Therefore, I say to you, if you wish to apply this Law and do not succeed as rapidly as you would like, never become discouraged. There is Infinite Power of Light waiting to give you assistance. But be strong enough, be brave enough if you make a mistake to at least admit it to yourself; then you can correct it; but if you say, "Oh no, it was the other fellow," all the time you are fooling yourself.

Not one thing in this world can affect you and your world but yourself, if you understand these Laws. Every destructive force has been projected at these Blessed Messengers, but not a thing has touched Them or interfered with Them—a living proof to any of humanity who care to look, because They understand the Law and apply It. You can do the same! Of course your motive must be right, and your motive must be good, must be pure; then the Powers of Infinite Light will flow in and through you and out into your world, and harmonize

© 1986 Saint Germain Press, Inc.

and produce Perfection there, and nothing in the world but yourself can prevent it, ever.

Therefore, tonight—you do not see in the atmosphere about you, but I see as clearly in the atmosphere about you as the Messenger sees your faces—that is the Power of Light and your freedom from human limitations. Therefore, in the Activity which is not visible to you, is the greatest Power in the Universe acting to produce Harmony and Perfection for you, and this will last. You see I am not asking your permission. Does that sound as though I was trying to intrude Myself upon you? No, but because of the need today, I no longer am required to ask your permission; but I go on and do that which I see is for your blessing and good, and then afterwards you will see the outpicturing of It.

Do you know, Beloved Ones, as We look over humanity and We see quite clearly their Inner feelings and motives, can you understand tonight when I say to you there are five million people in America today who, after sixty days more have passed, will accept this Law with open arms at Its first presentation, because It is the Law of Life!

There is not one thing in this Understanding that any person on the face of this Earth should object to—not a single thing. It is just the Law of each one's Life, and shows them how to correct their mistakes and have the freedom from limitations. Not only that, but if they continue on—win the Glory of the Ascension, the end of all pilgrimage on Earth. Could there be anything more desirable? It is the Law of your Life.

If you deny what I say, you are denying your own Life, because I am speaking your own Life. Now Precious People, remember it is not a matter of your denying—your refusing or accepting has not anything to do with it. If your intellect won't allow your Heart to accept what it knows today, then you will just wait awhile longer, but that is quite your affair. Remember, there is no one of the Great Light that tries to compel you to

© 1986 Saint Germain Press, Inc.

do anything but accept.

Now the one Law of your Life says to you: "Now you cannot have any more time to fool around; you must get busy and correct your mistakes." But that is not Us, that is not any human being; but it is the Law of Life which is the Cosmic Light that says to you, "Now you cannot play around any longer!"

It is a Magnificent Thing, Dear People, the most Magnificent Thing ever known to mankind. How you rebel if your child disobeys you! You get very angry, don't you sometimes?—which is a mistake; but when you do it, if someone does not want to do the thing that you want to do, you feel very much disappointed. Now remember, now look out, because you are going to get caught, you know! Then when Life says to you, "Now my child, you cannot play around any more with the other children; you have to come into your graduation from Earth," it is quite wonderful, isn't it? Then you become the one giving obedience—a wonderful practice, Precious Loved Ones.

In all the World there is not anything so beautiful, so wonderful as willing obedience to the Great Law of Life. Oh, how quickly then everything in your Life will change! Happiness, Strength, and Courage will enter into your feeling world, and you will know then that the appearance world out here no longer has power to affect or limit you in any way.

Oh Beloved Ones, enter into this full Glory tonight with the full power of your feeling; and I say to you, if you are hearing this for the first time, go home tonight and get by yourself—because you know human beings are very timid, should somebody watch them. Go by yourself, and then because no one can see you humanly, you say: *"Now 'Mighty I AM Presence,' I heard this tonight! I want the proof. Now You answer my Call and take command of my mind and body; produce Your Perfection and hold Your Dominion here! Flood Your Mighty Intelligence into and through me and out into my world. You harmonize everything before me, thus giving to me the*

proof of Your Power to govern my Life." No human being on the face of this Earth who will do that for thirty days will need Me or anybody else to tell them the Law of the Truth of this Light; but if you are not willing to prove It, anyone else's proof is useless to you.

I could produce into this room tonight that which would gratify your curiosity throughout Eternity, but what good would it do you? You would be no further in your own governing powers than you are this moment. Remember, that when you have entered into a Consciousness of this "Presence" enough, and It has entered into your feeling world sufficiently, you will have all the proof the wide world needs of the Power of your "Presence" to produce anything you wish. If you are not willing to call your "Presence" into action to furnish you this proof, then do not expect anybody else outside to supply it for you.

You see the Law of Life is accurate. It makes no mistakes. Human beings, by following the appearance world, have made many mistakes; but the Heart within the individual never makes a mistake. Human beings, following the dictates of the intellect, which gathers information from accretion without—there is where the mistakes occur; but when you come to act from the Heart, which is the anchorage of the "Presence" in your human form, how can you make mistakes? Shortly you will find you do not make any.

Now Beloved Ones, your Heart is the Heart of your "Mighty I AM Presence." Why? I am talking about your physical Heart. Why? Because the Light, the Life, the Intelligence from your "Presence" is anchored within your own physical Heart. That is why! Then how could you have Heart trouble?

Remember, Beloved Ones, allow Me to prompt you again. As long as you continue to listen to the suggestions from the appearance world, either from the individual or from observation, so long will you find yourself in limitations. Do you not see, Precious Ones, that all that is gathered from the intellect

 © 1986 Saint Germain Press, Inc.

is from observation and human opinions? That is why it does not reach Perfection and Freedom; but the Heart, that receives its intelligence from the "Presence," can reveal to you more in ten minutes than your intellect will gather in a lifetime. That is why today mankind is coming to act from the Heart instead of the head. Then mistakes will cease to be.

Today you who have come to understand your "Presence" and call It into action, say: " *'Mighty I AM Presence,' do not let me make any more mistakes!"* If you would make that Call morning, noon, and night, how soon, Beloved Ones, you would find everything coming into harmony, provided you kept your feelings harmonious. Try it! The greatest proof in all the world of the Law of Life is to try It, prove It! Do not expect someone else to prove this Law for you and hand It to you and say: "Here, you have been a good little child. Now you just take It and use It." How could you use It if you do not understand It? You cannot use anything that you do not understand how to use, and if you do not apply the Law, you will never understand what It means to you.

That is why tonight My Rejoicing is so great. And I want to say to some of you who are here for the first time: "Blessed Ones, have courage! Your Light within your Heart is bright! It is calling forth with great earnestness. Oh, let It have Its Dominion through your mind and body, and let It fill you and your world with the Perfection which this 'Presence' holds."

Beloved Ones, Our Love is so great for blessed mankind that We want so earnestly for everyone to be free, and this Understanding can so quickly bring that Freedom. Sometimes blessed ones who have suddenly allowed themselves to be irritated and disturbed, say: "Oh well, I think this Law is not operating for me." Then they have made the greatest mistake of all—sometimes when they were so near their Great Freedom, and then turned away because they could not make others do their will. Oh, Precious Ones, enter into this Great Light and

© 1986 Saint Germain Press, Inc.

have Its Eternal Freedom.

We hope when the Messengers return to the East again that We will be able to bring Them here with the Great Blessing which this Light is, and by that time the Mighty Intensification of Their activity, which has begun with tremendous power and speed at the beginning of the recent Class in Boston, then New York, then Philadelphia, will continue with still greater intensification.

Remember, Beloved Ones, will you observe the Chart again and observe how as you give your attention through the intensity of your feeling to this great God Presence, the "Mighty I AM," how the very attention not only invites but impels—not compels, but *impels* this greater Power to be released and flood into you and out into your world, which is the Power of Perfection, and will produce Perfection for you if you care to try It. But I urge you, do not be discouraged in your early Application; and as the Blessed Saint Germain said to you this afternoon, all Students need to fix upon this very firmly.

Now two conditions exist: either you are not using the Violet Consuming Flame to keep dissolved your own human accumulation that comes forth, or else your feeling is not following your attention—the only two things that can produce any failure in the Application of this Law. The Law never fails, but you can obstruct your way by allowing these conditions to exist.

Now then, if you call the "Presence" into action, It will produce that Violet Consuming Flame under your feet, your chair, or the bed, wherever you are; and if you will qualify It to be Eternally Sustained, you need but to remind yourself at least twice a day that It is in operation to have the greatest results. That will take care of the accumulation you have gathered throughout the centuries.

Then in your Application, in order to have results more quickly, watch your feeling and see that it follows your attention

 © 1986 Saint Germain Press, Inc.

upon whatever it rests in calling this Power forth for a given purpose. It is Magnificent! It cannot fail and never did in the entire Universe; and if It does not produce the results, one of these two things is obstructing your way, apparently.

Now then, in order to help you feel a greater confidence and greater assurance in your Application, take the statement that was given in California. It is so magnificent! Now as I repeat these words to you, allow Me to charge into your feeling world the full Power and Conviction of this: Your "Presence" and that Ray of Light and Energy is Self-luminous, Intelligent Substance. When you call to the "Presence" to release Its Powers into your mind, body, and world, that which It releases is this Self-luminous, Intelligent Substance. It flows in, through, and around your physical body; and if you will take the consciousness and—notice—*feeling*, It will just sweep out every imperfection that is in your body, every discord; not only that which is in your mind and feeling world, but in your body, the atomic structure as well. If you would only care to try it, you can prove to yourself the Truth of these words quickly.

But remember, you have gained a momentum of centuries by the acceptance of the appearance world which says to you: "When you have certain numbers of years over your head, you are going to be an old individual." And at the slightest suggestion of something in the outer world—a disease has become rampant, and you say, "Oh dear!" and you catch it. Now Dear People, please, I plead with you, take this stand and try it out. Every suggestion that comes to your ears or comes to your eyes that is less than Perfection, say to that thing: *"You have no power! You cannot enter into my world! You cannot affect me!"*—and see how quickly you will reverse all of these conditions that have swept in on you, and many times stretched you out in bed. When you could say to that appearance: *"Stop! You shall not enter into me and my world,"* it could not do it.

You are Master of your bodies! You are Master of your

world, once you understand it in the acknowledgment of this "Presence." I ask you if you will be so kind—Students and those who might be here for the first time—if you will take a Chart at night before you retire; place that Chart before you and in all humbleness and sincerity say to that "Presence": " *'Mighty I AM Presence'! I want to be free! I want to stop all mistakes! I want You to help me! Charge into my feeling world Your Mighty Governing Intelligence; then flood Your Great Light into my world! Harmonize everything before me! See that when I wish to accomplish something, everyone loves to assist and to serve. See that I never send out another discordant feeling; then Your Powers can govern my world quickly and produce Its Perfection there."*

Oh, try it out, Beloved Ones, for a time, and see what a change will come in *you* first, then in your world. These are great practical Laws, Dear People, not someone's opinion, but Laws which We have proved for century after century. Every Ascended Being, Jesus included, applied these identical, same Laws. Every Ascended Master who won the Victory over human limitations has applied the exact wording that is given to you. Why? Because, Precious People, the human words carry your qualities, which most of the time are more or less discordant. The Ascended Masters' Words are "Cups" that carry Their Qualities of Perfection to you and into your feeling world and produce exact results.

That is why—if you care to apply these Words, and that is why the Messengers have asked the Blessed Students everywhere, please do not try to change the expression or worded expression which the Ascended Masters have given you. You think your own idea would produce the same results. It will not do it, because your words will not carry the Qualities Their Words do.

Today mankind—do not think this sounds unkind, but in all the magnificent explanation the Earth has had, it has not

© 1986 Saint Germain Press, Inc.

set mankind free. Then there was some quality lacking. Not that many wonderful results have not been produced, but it is not Freedom.

Now then, you have entered into a presence and power and use of words. Now mark you, every word that you speak and feel creates a certain vibratory action in you and your world. For instance, suppose someone has injured you, apparently, and you say, "I hate that person!" What feeling takes place? A great intensified, discordant feeling. On the other hand, if you see something out here that gives you very great fright, the circulation recedes and you are white. These feelings are acting in all mankind, and you can use the Power of your "Presence" to produce the feeling of Perfection and Mastery and Victory, just as easy as to allow the feeling of anger to assert itself, which is intense feeling of condemnation.

Therefore, tonight, Beloved Ones, you are facing yourselves. You are facing the qualities, the activities which you have lived, and you can change them quickly if you will. It does not take long years. And when I think, Beloved Ones, of the many in America who at one time accepted the old occult method that said many times to its people, "In two or three embodiments hence you can gain some ground"! Today, the Great Law of Life and the Energy of this "Presence" says to you: "My child, here is the Law! Free yourself now!" See the difference! Beloved Ones, the old occult law was established for discipline required at that time; but now that the Great Cosmic Light is taking Its Dominion in the Earth, no longer does mankind require that discipline. Discipline comes in the activity of every man. Mankind today is going through their initiation in the outer world—sometimes more severe than ever in the Retreats.

Therefore, My Associate from Venus issued the Mighty Edict for the Earth that no longer would the old occult method be considered on the Earth. No longer would the old occult law below the Heart be considered! Then in the Balance of the

© 1986 Saint Germain Press, Inc.

"Presence," the centers of the body will come into perfect, harmonious action, and no one is in danger. I tell you, and the evidence of mankind everywhere is proof of it, that an individual caused to focus their attention upon the lowest center of the spine—the generative center—is lost before they ever reach the solar plexus. That is why today mankind is having such great Freedom, because their attention to the "Presence" allows the Powers of the "Presence" to hold everything in Balance, and bring everything into Balance, and bring everything into Perfection—and they are out of danger.

Do not allow anyone ever to tell you that the understanding of your Application of this Law can produce anything but Perfection. It cannot do it! If the human requalifies those things wrongly, the fault is in the human, not the Law. Therefore, I say to you: enter into your Freedom now and go forth in this Application! Apply It as though your Life depended upon it, with earnest sincerity. Cause your feelings to follow your attention, and your Mighty Goal of Life will find Its Dominion quickly within you and your world.

Beloved Ones, how My Heart rejoices at the receptivity in your Hearts tonight! How I rejoice with you, Beloved Ones. Oh, so long mankind has struggled, struggled, and struggled against they knew not what. Now today mankind is coming to know the very Laws which give them Life, and how to apply Them and govern every condition that exists in the outer world which confronts you. Then you, Beloved Ones, you in your Application become the Master of your body and world.

So great a Healing Presence and Power is in the room; would you be kind enough to be just quiet and still for a few moments and let these Great Currents of Energy flow in and through your bodies, sweeping out tonight every discord, every feeling that has limited you?

Oh, Beloved Ones, if money supply seems short, say to that appearance: *"No longer can you frighten me! God, my 'Mighty*

 © 1986 Saint Germain Press, Inc.

I AM Presence,' is my Treasurehouse; and I, in the future, look to that 'Presence' as the supply of money and anything else I require. Then Its Great Wisdom is acting. Then if human channels be used, that Wisdom will select those channels; and if I keep myself harmonious, then the Power of the 'Presence' will cause me to do the perfect thing to release that supply I require." There is not a Law in the Universe that can prevent that Law acting for you if you will steady yourself, be calm, have harmony in your feelings, and apply the Law of your "Presence."

I want you to feel that tonight in connection with the great Healing Currents that are flowing into your bodies, feel the Freedom, the Glory which It is, and do not let human doubts affect you! *(silence)*

Thank you, Beloved Ones. Wonderful! Think of it, the number that are in this room, everyone who can become so still as to allow that Power to flow, even though they are here for the first time—Beloved Ones, I congratulate you! It is Magnificent! Again before Me is the living proof, Precious Ones, that everyone who wants to, can still themselves, and in the acknowledgment of their "Presence" will that Power flow through and do Its Infinite Work for them.

Tonight in the Fullness of that Great Light and Power and Intelligence which beats your Heart and gives you Life—love It, turn to It, bless It! It is there above you—individualized, waiting, waiting, waiting through the centuries for you to give It sufficient attention that would enable It to release Its Powers, Beauty, and Perfection into your bodies.

Oh, Blessed Ladies, and Gentlemen too, if you want to be beautiful, there is the greatest beautifier in the world—your "Presence." You will find your cosmetics are no comparison to the Beauty which the "Presence" will produce and shine through your flesh. And I want to say to you with so great an earnestness, this Current which I have set into action tonight for you, will

© 1986 Saint Germain Press, Inc.

establish symmetry of form. Let It do Its Perfect Work! If you have superfluous flesh, give thanks that it has disappeared; and if you are too slender, give praise and thanks for the symmetry of body. All of this can be done so easily and readily, because it is your Life that produces whatever takes place in your body.

Beloved Ones, whoever in the outer world gives you assistance, that assistance could not come through any manner whatever except that your feeling agreed with it and accepted it. Medicine cannot help you unless you accept it. Anything else cannot help you unless your feeling accepts it. Therefore, why not accept the Source of all Life with the same great Joy and Intensity, and let It produce Eternal Perfection for you that you do not have to repeat?

Let Me remind you, every step that is gained in your acknowledgment of your "Presence" toward Perfection remains absolutely fixed freedom. You never have to redo that thing again. It stands there waiting until the next accomplishment—very different than the previous application before mankind knew the "Presence." Your "Presence" is your Eternal Anchorage as a Sustaining Power—the only place Sustaining Power can come from. Therefore, whatever you accomplish in the Power of your "Presence" remains an accomplished fact and adds to it until the next step. Finally all human creation has dissolved; then the full Power of the Light of your "Presence" flows in and your body is beautiful, perfect. Your world is harmonious, and everything you require for use is there at your Call.

We have all proven this Great Law so conclusively. We want you to have that Freedom if you will; but remember, We can only offer the Instruction. You are required to apply It, and by your own Victory have that Freedom and Blessing.

In the Fullness of that Infinite Light that beats your Heart, I call It into action tonight to sustain, to perfect, to direct, to govern your human self; to hold self-control and harmony in your feelings, until that Great Perfection has flowed through

© 1986 Saint Germain Press, Inc.

enough to show you Its Victory; then no longer will you have the slightest desire to turn aside.

I ask you, please do not try to mix this Instruction with anything else. We know this is your Freedom, if you will apply It unadulterated, with no previous concepts; then quickly will come your Freedom. But those who try to mix It will have hash. So I ask you, knowing what is required, if you will be kind enough to accept That which We know to be the Law, then how quickly you can be Free!

My Heart calls out to your Heart—be firm, be strong! Refuse acceptance to any human suggestion! Accept the Light of your "Presence," your own God Self, your "Mighty I AM"; and allow It to produce Its Perfection in and through you and out into your world—harmonizing, perfecting everything that is required, and filling your body, your feeling world with such courage, such happiness, such strength, that you become Master of your world now. I thank you.
